

Inc. 5000

Responsive Technology Partners

For the 7th Consecutive Year, Responsive Technology Partners Makes the Inc. 5000

NEW YORK, August 11, 2026 - Responsive Technology Partners has once again been recognized by Inc. Magazine as one of the fastest-growing private companies in the United States, ranking No. 3462 overall and No. 227 in IT Services on the 2026 Inc. 5000 list. This marks Responsive Technology Partners' seventh consecutive appearance on the Inc. 5000, spanning 2020 through 2026, and reflects the company's continued growth, resilience, and commitment to delivering exceptional technology services.

Steven McComas, MPS, MBA,
CGMA, CPA, COE of Responsive
Technology Partners

"Receiving this recognition for a seventh consecutive year is an extraordinary honor and a reflection of the dedication, resilience, and commitment of the entire Responsive Technology Partners family. This achievement belongs to our employees, who deliver excellence every day; our valued clients, who continue to place their trust in us; our shareholders, who support our long-term vision; and the families who support our team members behind the scenes. As we celebrate this milestone, our mission remains unchanged: to provide world-class customer service through industry-leading IT solutions that make every customer feel as if they are our only customer." Steven McComas, MPA, MBA, CGMA, CPA, CEO of Responsive Technology Partners.

The Inc. 5000 class of 2026 represents companies that have achieved sustained revenue growth while navigating economic uncertainty, rising operating costs, workforce challenges, and rapid technological change. This year's honorees reflect the resilience, adaptability, and innovation shaping industries across the United States.

For complete results of the 2026 Inc. 5000, including company profiles and an interactive database that can be sorted by industry, location, and other criteria, visit www.inc.com/inc5000. All 5,000 companies will be featured on Inc.com beginning Tuesday, August 11, 2026, and the top 500 companies will be featured in Inc. magazine.

This year's Inc. 5000 honorees have continued to grow while navigating economic uncertainty, rapid technological change, and an increasingly competitive business landscape. The 2026 list highlights companies across a wide range of industries that have found new ways to innovate, adapt, and achieve significant three-year revenue growth.

Responsive Technology Partners provides comprehensive technology services throughout Georgia, Florida, North Carolina, Virginia, and Texas, while supporting clients across the United States. The company's services include managed IT support, cybersecurity and compliance, cloud services, telephony, structured cabling, access control and surveillance systems, data center hosting, web design and digital marketing, co-managed IT, and specialized hospitality technology solutions. Responsive Technology Partners remains committed to its mission: "to provide world-class customer service through industry-leading IT solutions that make every customer feel as if they are our only customer."

More about Inc. and the Inc. 5000

Methodology

Companies on the 2026 Inc. 5000 are ranked according to percentage revenue growth from 2022 to 2025. To qualify, companies must have been founded and generating revenue by March 31, 2022. They must be U.S.-based, privately held, for-profit, and independent—not subsidiaries or divisions of other companies. The minimum revenue required for 2022 is \$100,000, and the minimum for 2025 is \$2 million. Companies must also meet Inc.'s editorial standards and complete the required revenue verification process.

About Inc.

Inc. Business Media is the leading multimedia brand for entrepreneurs. Through its journalism, Inc. aims to inform, educate, and elevate the profile of its community: the risk-takers, the innovators, and the ultra-driven go-getters who are creating the future. Inc.'s award-winning work achieves a monthly brand footprint of more than 40 million across a variety of channels, including events, print, digital, video, podcasts, newsletters, and social media. Its proprietary Inc. 5000 list, produced every year since its launch as the Inc. 100 in 1982, analyzes company data to rank the fastest-growing privately held businesses in the United States. The recognition that comes with inclusion on the Inc. 5000 and other Inc. lists gives business leaders the opportunity to engage with a community of their peers while building visibility and credibility for their organizations. For more information, visit www.inc.com.

For more information on the Inc. 5000 Conference & Gala, to be held October 14–16, 2026, in Dallas, Texas, please visit <http://conference.inc.com/>. The event will take place at the Omni Dallas Hotel, with the Black-Tie Gala scheduled for October 16.
